## **EagleMed Memorial Service Set**

It is with heavy hearts that the EagleMed Administrative team and crew of our Oklahoma City base announce that a memorial service for our fallen crew has been scheduled.

EagleMed will be hosting a combined memorial service in memory of Al Harrison and Ryan Duke. The two were fatality injured in a helicopter accident on July 22<sup>nd</sup> outside of Kingfisher, Oklahoma. The service will be held Thursday, July 29<sup>th</sup>, 2010 beginning at 10:00 am at Crossings Community Church in Oklahoma City, Oklahoma. A “fly-over” will take place outside the church prior to seating for the service.

The EagleMed family would like to express our gratitude for the wonderful support and assistance that began immediately following this tragedy, and has continued throughout this time.

Any requests from outside emergency agencies with regards to the planned memorial service should be directed to Shelia Rupp-Haag, Director of Marketing/PR at EagleMed.
